ABOUT US

Shaping the Future, One Student at a Time

 Our Vision

To cultivate an environment where students grow intellectually and morally, preparing them to lead with confidence.

 Our Mission

To provide quality education that fosters critical thinking, creativity, and a passion for lifelong learning.

 Principal's Message

We envision our future at par with the current scenario and we realize that we are on the threshold of educational reforms. Keeping this in mind, we at PIS, Sakri, constantly upgrade ourselves to integrate technology into the curriculum and link it with the present career demand, competition, and society at large.

 President's Message

We envision our future at par with the current scenario and we realize that we are on the threshold of educational reforms. Keeping this in mind, we at PIS, Sakri, constantly upgrade ourselves to integrate technology into the curriculum and link it with the present career demand, competition, and society at large.
